Instructions for Ipad

Either directly from the Affinity Website or from the email click on the *download* of the book.

Find the *file app* on your iPad and click on it.

Find the *Downloads* section and the downloads, then choose the *List icon*, and select *Kind* to enable you to scroll down and find the epub books downloaded. With your *finger select and hold onto the cover picture*.

This will enable you to choose *Share*.

Now scroll to find the *Kindle App* and select that.

Once you select the Kindle App select *Send*.

A message will let you know the file has been sent to Kindle.

Send to Kindle Title (required)	Close
